## Meet Billy

Billy has been part of the Opportunity Works family for nearly 10 years and has been empowered to take each and every opportunity available to him. His caring and compassionate nature lead him to volunteer opportunities such as, Three Hearts Farm, Council on Aging and Nourishing the North Shore. Billy is an active member of OW's Chorus, Club Café and OpArt, a collaborative program with the Newburyport Art Association. Although always busy, Billy takes the opportunity to play hoop at the YMCA and visit his town library regularly.

When asked if he would like to explore a new job at RiverWalk Brewing Co. he once again jumped at the chance. The folks at RiverWalk quickly found Billy's friendly, social, jokester personality genuinely completed their team. Upon return from a brief production hiatus RiverWalk touted "The Band is back together!"
