

Your Gift Truly Makes A Difference  
Empowering People. Changing Lives!

# Opportunity Works

Empowering People...  
Changing Lives

The return to growth has been paramount here at Opportunity Works. We have focused our efforts on mitigating a global pandemic and its impacts on our organization over the last few years. Together we faced and conquered some of our greatest obstacles and through it all we remained vigilant with steadfast commitment, resiliency, and compassion. A true testament to the individuals we serve, families, staff, leadership, and **YOU, our beloved supporters.**

Throughout 2023 Opportunity Works experienced significant post-COVID stabilization and truly saw a return to growth. We expanded programming and created invaluable opportunities that have furthered our mission of empowering people and changing lives.

Today, Opportunity Works continues to build and deliver healthy and robust services that support hundreds throughout the Merrimack Valley and beyond. We are poised for continued growth, providing innovative and dynamic programs for individuals with developmental disabilities and remain a beacon in the community.

## We need your support.

We are excited to continue with our valuable work and important mission as we embark on our 50th Anniversary in 2024. As we close out the year, we reflect on the remarkable achievements and exciting opportunities provided to the individuals served and look forward to many new opportunities for expansion and further advancement of our mission.

Empowering people and changing lives is only possible with gifts from supporters, like **YOU**. Your meaningful gift allows us to continue to provide critical services and continue to create new opportunities. Every gift is deeply appreciated and directly impacts the lives of so many.

**Make your gift today and know you truly make a difference. THANK YOU for your unwavering commitment and ongoing support.**
